SIR,

In forwarding herewith for information copies of the marginally noted letters received from the Registrar of the Chief Court of Mysore re: the extension of the period for deposit in the treasury of chests or boxes containing valuables belonging to the Judicial Department, I have the honor to state that under the circulstances explained - - therein, para 3 of the Mysore Treasury Manual has to be altered and that the following will, if approved by Government, be inserted as a note under this para.

" Note.

The above limit of time will not apply to the chests or boxes containing valuable properties and securities belonging ~~to wards~~ Wards coming into the possession of the guardians under the Guardian and Wards Regulation, and deposited under the orders of ~~Government~~ the Court in the treasuries for safe custody till the wards come of age or till the Court orders their withdrawal."

Copy of letter No. R.O. 1019/17-18 dated 19th August 1918 from the Registrar of Chief Court in Mysore, to the Comptroller of Mysore, Bangalore.

.....

Adverting to your letter No. T.A.D.A. 1791 dated the 28th May 1918, requesting to intimate under what rule of the rules issued under the Guardian and Wards Regulation that boxes and chests containing valuable properties belonging to wards have to be held in safe custody in the treasuries , I am directed to state that under Rule 9, the Courts are authorised to direct a guardian to deposit in a treasury all securities ~~x~~ for money belonging to the ward and that they will have to be deposited in a box and sealed and kept in the treasury. Moreover property of the ward in the shape of jewels and other valuables may often come into the possession of the court owing to the removal, registration and cessation of authority of guardian under sections 38, 39 and 40 respectively of the Regulation and they will have to remain in the custody of the Court till a fresh guardian is appointed or till they are otherwise disposed of by the Court. So long as such properties remain in the custody of the court they will have to be deposited in a treasury for safety in boxes or chests. As it was not possible to say with definiteness as to how long the boxes containing properties of minors and those containing the securities for moneys belonging to them have to be kept in treasuries, it was requested in this office letter No. R.O. S.C. 329 dated the 6th/10th September 17, that the provision in the Treasury Manual might be suitably altered so as to extend the period in the case of deposits of valuables made by the courts on behalf of minors.

Adverting to the second paragraph of your letter No. 3252/ B.R. 457 dated the 29th30th October 14 stating that the period of 3 months fixed in para 3 of the Treasury Manual for the custody of valuables deposited by officers of the Judicial Department may be changed, if necessary, in accordance with the circumstances of each case and that ~~any~~ any alterations that may be suggested can be incorporated in the Mysore Treasury Manual with the sanction of the Government, I am directed to state that no definite period can be fixed in respect of valuable properties and securities for money belonging to wards coming into the possession of the guardians under the Guardian and Wards Regulations, as they will have the kept in safe custody with them come of age or till the court orders the withdrawal of such deposits in the interests of the wards.

I am therefore to request that the provision of the Treasury Manual may be suitable altered so as to extend the period in the case of deposits of valuables made by the Courts on behalf of minors.
